

Professional Address:

Department of Otolaryngology,
The 2nd Medical Faculty, Charles University in Prague,
University Hospital Motol
Institute of Postgradual Education
V Úvalu 84, 150 06, Praha 5, Czech Republic

Phone +420-224432601
Fax +420-224432620
Mobile: +420-603489784
E-mail: professional: Jiri.Skrivan@fnmotol.cz
 private: jiri.skrivan@hotmail.com, jiri.skrivan@gmail.com

Jiří Skřivan, M.D., PhD.

Personal Data

- Date and place of birth: 4th April 1958, Prague, Czech Republic
- Gender: male
- Marital status: married, two children (boys)
- Nationality: Czech

Education

- 1965-1974 Basic School with a Foreign Language Education (English & Russian)
- 1974-1977 Secondary Language School
- 1977-1984 The First Medical Faculty, Charles University in Prague
- 1980 Davies' School of English, London, United Kingdom

Qualification

- 1984 medical faculty graduation
(23 May 1984, Faculty of General Medicine, Charles University in Prague)
- 1987 postgraduate diploma of the 1st degree in otolaryngology

Jiri Skrivan, Curriculum

28.1.2015

- (19 October 1987, Institute of Postgradual Education, Prague, Czech Republic)
- 1991 postgraduate diploma of the 2nd degree in otolaryngology
(17 December 1991, Institute of Postgradual Education, Prague, Czech Republic)
- 1991-1998 junior assistant lecturer in otolaryngology, the First Medical Faculty, Charles University
- 1998 up to now senior assistant lecturer in otolaryngology, the First Medical Faculty, Charles University
- 1999 head of the surgical clinical section (surgical theatres and staff)
- 2001 clinical deputy for research and development
- 2001 PhD thesis defended successfully (entitled *Predictive Factors in Cochlear Implant Candidates*)
(27 November 2001, Charles University, Prague, Czech Republic)
- 2002 awarded degree of Master Physician and Lector for the Ear, Nose and Throat speciality
(9 January 2002, Czech Medical Chamber)

Study Leaves, Congresses and Workshops

- 1990 Functional nasal surgery course, Prof. Stammberger, Prof. Betka, Prague, Czech Republic
- 1992 Course of microsurgery of ears, Prof. Helms, Würzburg, Germany
- 1992 International course on cochlear implant surgery, Prof. Fraysse, Toulouse, France
- 1993 Cochlear implant course and surgical workshop, Prof. Albegger, Salzburg, Austria
- 1994 The 5th international symposium on cochlear implants, surgical workshop and 1st international auditory brainstem implant satellite symposium, Prof. Laszig, Freiburg i.Br., Germany
- 1994 1 week study stay in the Department of ORL, Prof. Brask, Odense, Denmark
- 1995 Bone replacement in ear and skull base surgery, Prof. Helms, Würzburg, Germany
- 1995 Surgical treatment of hypacusis and deafness, reconstruction ear surgery (lecturer), Prof. Betka, Prof. Helms, Prague, Czech Republic
- 1995 The 3rd international conference on diagnostics, treatment and rehabilitation of hearing impairments, Prof. Skarzyński, Warsaw, Poland
- 1996 The 3rd European symposium on paediatric cochlear implantation, Prof. Lenarz, Hannover, Germany
- 1997 The 5th course of oncologic surgery of the head and neck, Prof. Betka, Prof. Luboinski, Prague, Czech Republic
- 1997 The 5th international cochlear implant conference, Prof. Cohen, New York, USA
- 1999 The 2nd auditory brainstem implant symposium, Prof. Laszig, Freiburg i. B., Germany
- 2001 The 3rd auditory brainstem implant symposium, Prof. Laszig, Freiburg i. B., Germany
- 2002 The 10th Danube Symposium, Dubrovnik, Croatia (active participation)
- 2003 The 4th International Conference on Vestibular Schwannoma and Other CPA Lesions, St John's College, Cambridge, United Kingdom (active participation)
- 2003 Individual teaching course on vestibular schwannoma surgery (translab approach), Prof. Bergler, Mannheim, Germany

- 2006, April 22-26 Advanced Temporal Bone Workshop and Live Surgery, Department of ORL, Head and Neck Surgery and Communication Sciences, King Faisal Specialist Hospital and Research Centre, Riyadh, Saudi Arabia (lecturing surgeon)
- 2006, October 2-29 Locumship Consultancy, Department of ORL, Head and Neck Surgery and Communication Sciences, King Faisal Specialist Hospital and Research Centre, Riyadh, Saudi Arabia
- 2007, May 2-5, 8th European Skull Base Society Congress and 15th German Skull Base Society Congress, Diplomat Hotel, Prague, Czech Republic (active participation)
- 2009 January Locumship Consultancy, Department of ORL, Head and Neck Surgery, Al-Zain Hospital, Kuwait City
- 2009, May 14-17 9th European Symposium on Pediatric Cochlear Implantation, Warsaw, Poland (active participation)

Jiri Skrivan, Curriculum

28.1.2015

- 2009 June 11-13 2nd International Symposium on Bone Conduction, Göteborg, Sweden (active participation)
- 2010 June 30-July 3 11th International Conference on Cochlear Implants and Other Auditory Implantable Technologies, Stockholm, Sweden (active participation)
- 2010 December 6-7 Cochlear Science and Research Seminar; Performance Outcomes Symposium, Munich, Germany (active participation)
- 2011 March 15-16 Surgical Hearing Preservation Workshop, Poznań, Poland (active participation)
- 2010 September 15 Cochlear Implant Conference – Cochlear Implants in Central & Eastern Europe, Kajetany, Poland (active participation)
- 2012 May 21-25 Czech – American ORL Days, ENT Department in Prague, Czech Republic (active participation)
- 2012 November 20-21 5th Cochlear Implant Workshop, 1st Baha Workshop, 1st Vibrant Soundbridge Workshop, Al-Khobar, Saudi Arabia (active participation)

Professional Career

- 1984 - 2014:
Department of Otolaryngology, Head and Neck Surgery, Charles University in Prague; full-time employee (various professional positions - assistant lecturer, postgraduate education of medical students and bachelors in otorhinolaryngology, head and neck surgery, chief doctor of a patient ward, head of otosurgical team and otosurgical out-patient department, head of a cochlear and auditory brainstem implantation programme);
- 2001 up to now:
working as a part-time ENT speciality Master Physician and Lecturer in the Prague ambulatory center for foreigners (Canadian Medical Care) and out-patient one-day surgery center
- Current position:
Since July 21 2015, head of the Department of Otorhinolaryngology, the 2nd Medical Faculty, Charles University, and University Hospital Motol.
- As a travelling surgeon visiting often foreign ENT departments as an instructor and lecturer in otosurgery, skull base surgery, cochlear implantation and Baha surgery (Estonia, Latvia, Lithuania, Poland, Russia, Serbia, Macedonia, Bulgaria, Romania, Malta, Palestine, Kuwait and Oman).

Areas of Interest

- Surgery of chronic otitis media and its sequelae - cholesteatoma, reconstructive middle ear surgery, use of synthetic materials in the middle ear cavity, ionomer glass cement in a reconstructive ear surgery, surgery of otogenic suppurative complications, surgery of congenital anomalies of the ear
- Secretory otitis media in children - conservative and surgical treatment
- Cochlear implantation and auditory brainstem implantation - selection of suitable implant candidates, surgery, postoperative care and rehabilitation; pre-surgical electrical stimulation of deaf (promontory test), predictive factors in candidates of cochlear implantation, CT and MRI imaging of the cochlea
- Bone anchored hearing aids (Baha) in a conductive and mixed hearing loss and in single sided deafness
- Skull- base surgery – surgery of vestibular schwannomas (via translab), tympanojugular paragangliomas, carcinomas and other complicated and large entities involving the lateral skull base
- Antibiotic treatment of external and middle ear infections
- Computers - database management of group of patients (cochlear implant candidates, surgery for cholesteatoma)
- Main author of major grant projects (Electrical stimulation of deaf, Predictive factors in cochlear implants, Functional evaluation of results of tympanoplasties, Auditory brainstem implants, Identification of hearing nuclei in the brainstem, Baha in a single-sided deafness), co-author of a number of other grant projects

Jiri Skrivan, Curriculum

28.1.2015

- Published over 50 papers in specialized periodics both home and abroad as a main author and over 40 as co-author; 3 translations of medical textbooks for postgraduates from English to Czech, presented over 80 lectures in renowned meetings both home and abroad.

Memberships

- Czech Society for Otolaryngology (1984)
- Chamber of Czech Doctors (1991)
- Academicus Antonius Precechtel Foundation for Otolaryngology and Head and Neck Surgery (1992)
- Cochlear Implantation Committee (1996)

Languages

- English, Russian, basic French
